health care foundation

The Canmore and Area Health Care Foundation is a charitable organization in support of the Canmore General Hospital whose objective is to raise funds to enhance the provision of health care in the Bow Valley – to residents and visitors alike.

Funds raised by the Foundation through the generosity of our donors do not replace base funding through Alberta Health Services, but enhance patient care provided by the Hospital and staff through equipment purchases, programs and staff training. Funds raised can be used to support programs, acquire equipment through the Canmore General Hospital, and/or encourage health promotion through preventative programs and education. The CAHCF is able to direct your donations to specific areas or funds, according to your wishes.

The CAHCF aids the Canmore General Hospital through the encouragement of philanthropy within the community for the benefit of the community.

Every dollar raised in the Bow Corridor stays in the Bow Corridor!

On behalf of CAHCF's staff and Board of Directors, thank you for your generous support!

The annual **CAHCF Silvertip Golf Fundraiser** is CAHCF's largest single fundraiser, and the premiere charity event in Canmore. The 2019 event is our 17th annual Golf Tournament Fundraiser!

As a sponsor for this event, not only will your contributions enable the Foundation to provide much-needed medical equipment and programs for the Hospital, but you will also enjoy a fun day outdoors, playing golf and raising money for a good cause!

The Canmore General Hospital is only able to provide the excellent and timely care we all desire with the full support of sponsors and donors. The Canmore General Hospital is especially important to companies with family and staff who, in time of crisis, can count on our hospital.

If you are interested in being a sponsor at this event, or require more information, please contact:
