

Help us build a Foundation for the Future

While all gifts to Canmore Hospital Foundation contribute to the high quality of care provided by Canmore General Hospital, endowments are particularly meaningful as they offer a dependable, perpetual source of funding.

Help us reach our next goal of \$5.0 million dollars for the Endowment Fund.

Every dollar contributed to the Foundation's endowment is a dollar that can be invested, and the return can be drawn upon into the future.

A legacy grows

Thank you for considering a gift to the Canmore Hospital Foundation

The Foundation has **already raised over \$2,000,000 of the \$5,000,000 goal** for the Endowment Fund.

Your **legacy** gift will help us reach this goal and ensure lasting **security** for the Foundation and Canmore General Hospital which services the needs of our growing community.

The **stability** created by a \$5.0 million dollar endowment will result in the foundation's ability to support initiatives such as ongoing updates to facilities, purchasing state of the art equipment and delivering meaningful programs designed to enhance the hospital experience.

Your gift can have the **long-term** impact *you want* on whatever area of healthcare means the most to you. For example, you can establish a named endowment under the foundation's endowment to act as a lasting legacy in your family's name or you can make a gift that is paid out over time.

Your Gift will Create a Legacy for a Healthy Community

The Canmore Hospital Foundation is a registered charity, separate from the Canmore General Hospital.

Funds raised by the Foundation through the generosity of our donors does not replace base funding through Alberta Health Services, but enhance the patient care provided by the hospital through equipment purchases, programs, staff education and improvement of facilities.

We have been a staple of the health community in the Bow Valley area for more than years and through the generosity of our community we have raised over \$8 million dollars.

Donations made to the Endowment Fund are a way to participate in the future of Canmore General Hospital. Every gift you make to the endowment translates into continued quality care for the people who live in and visit the Bow Valley.

Thank you for believing in the work we do and for your continued support of local healthcare
